A BIT ABOUT MY EXPERIENCE

FREELANCE ANDROID AND WEB DEVELOPER

ANDROID & WEB | 2014 - NOW

- 8+ published Android apps and available on Google Play. 8+ Website are there available on internet and in this two of my websites was developed for clients.
- Open Source lover. Most of my programs, apps, projects and games are available on GitHub.

SOFTWARE AND GAME DEVELOPER

C, C++ & JAVA | AUG 2015 - AUG 2017

- Made some of software for Desktop using Java and developed lot of Applications like Digital Clock, Color Picker etc and games like Flappy Bird, A Space Invaders Game, A Battle City Game etc. Helped users to configure and solve their programming issues through online support.

TRAINING IN ANDROID

ANDROID | 20 MAY – 5 JUL 2017

- During Training Period I had learned lot of things in Android. It includes case studies, hand-on projects and live projects.
- We have used Android Studio and Eclipse to build our apps. Use of Material Design for making app more interactive.
- Developed two projects in Android which are Digital Diary using SQLite and a simple Music Player.
